15 **ORDER**

16 Presently before the court is defendant Markel Insurance Company's motion to file a joint  
17 petition for approval of settlement involving a minor under seal. (Doc. #8). The motion has been  
18 filed pursuant to Local Rule 10-5(b), which requires that "papers filed with the Court under seal shall  
19 be accompanied by a motion for leave to file those documents under seal."

20 The parties represent that the case has been settled and that the terms of the settlement are  
21 confidential. They request filing the petition for approval of the settlement under seal to preserve  
22 the confidentiality of the settlement agreement. The court finds that there are compelling reasons  
23 to maintain the confidentiality of the settlement agreement. *See Kamakana v. City and County of*
